backgrounds represented at our school with 25% of our students having a Language Background Other than English.

Syndal South Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Syndal South Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community, and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Syndal South Primary School, we value the human rights of every student, and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Syndal South Primary School will:

- actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities e.g. school sports, concerts, excursions and incursions on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Syndal South embraces inclusion and diversity by celebrating Harmony Day each year; celebrating various cultural days including Diwali; hosting International Food Night for our families; providing age appropriate incursions or excursions with a focus on inclusion and diversity. Our School Wide Positive Behaviour Support Framework and our use of Resilience, Rights and Respectful Relationships and The URSTRONG Program also provide students with specific teaching and learning focusing on Inclusivity and Diversity.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Syndal South Primary School. We will take appropriate measures, consistent with our [Student Wellbeing and Engagement and Bullying policies](#) to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour.

Reasonable Adjustments for Students with Disabilities

Syndal South Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action
